2026 SPONSORSHIP PROSPECTUS

INVITATION

We invite you to partner with us at **Luminesce Alliance 2026 Conference - "Partnerships in Action: Advancing Children's Health through Research, Families and Industry Collaboration."**

Scheduled over two days on **4-5 of November 2026** and held at the **University of New South Wales in Sydney, Australia**, the conference will feature national and international experts addressing complex health challenges and scaling innovative solutions that improve care.

Attendees will gain insights into coordinated care pathways, family engagement in research, and the translation of scientific discoveries from the bench to the bedside and beyond. The event will highlight initiatives driving family-centred care, system efficiency, and commercialisation, showcasing how strategic investments are being transformed into scalable, high-impact outcomes for children's health.

Together, we look forward to exploring the latest advancements in personalised medicine and research collaborations aimed at supporting children and families affected by rare diseases, neurodevelopmental disorders, and cancer.

An exemplar of how partnerships turn investment into impact:

Luminesce Alliance is a powerful example of how government investment in research and infrastructure can deliver tangible outcomes. By supporting cutting-edge research in children's health, we are driving a dynamic pipeline that leverages capabilities, assets, and infrastructure innovation – reshaping care models and improving lives."

Kathryn Griener AO
Luminesce Alliance Chair

Our partners

Luminesce Alliance is a not-for-profit cooperative joint venture established with the support of the NSW Government to coordinate and integrate paediatric research.

Supported by the

The conference program will cover:

- **Coordinated and Collaborative Ecosystems:** Cross-sector partnerships that foster a culture of innovation, efficiency, and commercialisation, leveraging shared infrastructure and collective expertise.
- **Person and Family-Centred Research:** Enhancing translation by embedding families throughout the research lifecycle and real-world application.
- **Future-Proofing Translational Research:** Anticipating emerging needs and aligning research investment and infrastructure with long-term health and economic outcomes.
- **Translation to Impact:** Supporting end-to-end innovation pipeline, from discovery through implementation and commercialisation within responsive and integrated healthcare systems.

Who attends?

This conference attracts a large researcher and health services audience through the extensive partner networks of Luminesce Alliance, as well as collaborators across other medical research institutes, local health districts, health and innovation precincts including Randwick and Westmead, and government and consumer groups.

The Luminesce Alliance 2026 Conference is expected to attract over 200 delegates including:

- clinicians
- consumers
- government and industry representatives
- healthcare workers
- researchers including early career researchers and students.

Why sponsor?

Few initiatives offer the same breadth and depth of engagement, bringing together researchers, clinicians, policymakers, and system leaders dedicated to advancing transformative, evidence-based solutions for children's health.

Sponsoring this event provides a unique opportunity to elevate your organisation's brand alongside national and international leaders in children's personalised medical research, innovation, and commercialisation.

By engaging with one of Australia's largest personalised children's medicine research audiences, your organisation will increase its visibility and influence in a rapidly evolving sector.

Our partnership has contributed to making precision medicine a reality for all Australian children: *By uniting the Luminesce Alliance community, conferences like this transform complexity into possibility. They cultivate a unique collective intelligence—spanning science, population health, high-performance computing, and AI – that sparks innovation and drives real change in healthcare delivery.”*

Prof Michelle Haber AM
Executive Director
Children's Cancer Institute

Generating value from shared resources, infrastructure and capability: *This conference showcases the power of a coordinated vision and partnership. Through shared infrastructure and collaboration across world class precincts, we are delivering better, fairer, and more sustainable healthcare for children.”*

Prof Roger Reddel AO Sir Lorimer Dods Professor
Executive Director
Children's Medical Research Institute

Why sponsor? (continued)

This is an invaluable opportunity to demonstrate your commitment to advancing children's health, strengthening your organisation's social currency and fostering deeper connections with the community. Sponsorship will position your organisation as a leader in this critical field, helping to raise awareness and inspire confidence among policymakers, industry professionals, and the wider public.

The Luminesce Alliance Conference can provide your organisation with the opportunity to:

- Demonstrate your company's commitment to research to provide a brighter future for children
- Build relationships with key decision makers and industry leaders in the children's health and research sector
- Position your organisation as top of mind with key stakeholders and decision makers
- Access a broad network of industry partners from public, private and not-for-profit organisations.

Advanced therapeutics pipeline attracting global investment: *Through excellence in research our Alliance partners are positioning NSW as a global leader in cutting-edge novel therapies. Our collaborative model is attracting investment and forging international partnerships that will shape the future of children's health."*

Ms Cathryn Cox PSM

Chief Executive
Sydney Children's Hospitals Network

Building capacity for family engagement:

This conference demonstrates how embedding the voices of parents and caregivers builds capacity, strengthens research outcomes, and creates genuine partnerships that benefit everyone involved. By recognising families as valued contributors to the research process—not just participants—we enable more relevant, inclusive, and impactful work aligned with the needs of those most effected."

Kris Pierce

Director of Consumer Engagement,
Child UnLimited
